

## Weekly Reminders / Nov. 19, 2021

*Happy Thanksgiving!* The Vestry has approved the following changes to Holy Trinity's COVID-19 protocols:

- Effective immediately, indoor masking is optional for those who are fully vaccinated.
- The choir may perform without masks.
- Those individuals who are not vaccinated are asked to consider wearing masks, which is a recommendation and not a requirement.
- Continued social distancing and sanitation guidelines are recommended.
- In the event that COVID-19 statistics require stricter protocols, we will revert to them.

Thank you for your cooperation during this continuing pandemic. We remain committed to the safety and well-being of all who work, worship, and fellowship inside Holy Trinity Episcopal Church. ~ *Susan Read, Senior Warden*

*And a message from the office. . .* I hope everyone has a safe and blessed Thanksgiving celebration. If you volunteered to deliver food baskets, remember that deliveries will be made tomorrow morning, Saturday, November 20. Due to the holiday next week, the men's prayer group and noon Bible study are canceled for this coming Wednesday, November 24, and the church office will be closed on Thursday, November 25, and Friday, November 26. Those of you who are traveling and staying at hotels can bring back the travel size toiletries for donation to veterans in local hospitals and nursing homes. Just place the items inside the covered brown woven basket in the Sifford Hall Narthex. Please review all the other announcements and the weekly calendar of events in this weekend's bulletin, attached (pages 14-18). ~ *Kelly*
